Taking You Inside Great Classrooms On-Demand

Since 1999, Educational Impact has provided online, video-based professional development to meet the needs of schools and educators today

Premium Content Library

It's easy to access high-quality courses in PowerSchool Professional Learning. Educational Impact's Premium Content Library gives you access to **more than 400 self-paced, online courses** for personalized professional learning with a single login. You can now provide all staff with high-quality PD content for immediate access and targeted, personalized learning.

Engage your Staff

Real Classroom Examples

Unlike other PD courses, EI brings theories and strategies to life with real classroom examples.

Practical Learning Activities

Our courses are not sit-and-get! Learners are encouraged to reflect, collaborate, and apply knowledge throughout each course.

Hot Topics

The EI Premium Library is always growing with courses on the most-requested topics from around the country.

Earn Credits

Credits automatically populate on learners' Professional Learning transcripts after passing EI's end-of-course assessment.

And now, your course credits from Educational Impact can be transferred to a Master of Education degree from Waldorf University

*Full academy course totals depend on local evaluation rubrics and relevant, selected content bundles

Versatile PD
